## THE WHOLE HOG: Re-examining how we rear, kill & eat pigs

**PIG FARMERS, PORK PRODUCERS & BUTCHERS PARTICIPATING IN TODAY'S EVENT**  
(Shading indicates this producer rears their own Free Range/Organic Pigs.  
In some cases they may also process 'conventionally' reared pigs)

This list has been compiled by Euro-toques from various sources as a guide to small-scale pork farmers, pork butchers and producers of pork products around Ireland. Euro-toques does not accept responsibility for any errors and omissions. Euro-toques does not necessarily endorse all the producers on this list, as they have not been individually checked.
